

MINIMATIC® FITTINGS

Push-Quick Fittings

Fittings are easy to install, and provide high flow. Threaded and non-threaded available.

See pages 290 - 298.

Barb Fittings

Fittings are available with 1/16", 3/32" or 1/8" hose barbs, #10-32 thread and 1/8" NPT.

See pages 299 - 306.

Compression Fittings

Join standard size pipe to tubing with a convenient ferrule design.

See page 306.

Nipples & Connectors

Used for coupling various cylinders, valves, fittings and other components together.

See page 307.

Threaded Fittings

Offered with #10-32 and 1/8" NPT threads. "L", "T" and "X" configurations.

See page 308.

Adapters & Reducers

Adapt your fittings to the right positions and threads.

See pages 308 - 309.

Bulkhead Fittings

Provide rigid connection through panels or bulkheads up to 1/2" thick.

See page 310.

For ease in construction of pneumatic logic control and fluid power systems, you will find in the Clippard line an extensive choice of useful fittings. Clippard fittings are designed for the greatest flexibility, practical usefulness and for savings in time, cost and space.
